## From your Editor

I am excited to be your Newsletter Editor. I have many ideas to make this newsletter more informative. The only way that will happen is with your input. All brags can be e-mailed to me at capecodkennelclub@adelphia.net. If you want to include pictures with your brag, I will put them in as space allows. In this issue we have the results from our Sanctioned Match on June 12, 2005. There is an update on our September Dog Show. I have included some valuable information about rabies from our last General Meeting. Included is the Catalog Advertising form. If you have not already done so, please fill out and return to Meb Stanton. Lastly, I have a questionnaire that should only take a couple moments to fill out. It is asking what information you would like in YOUR newsletter. It is also requesting e-mail addresses for all members. This would enable us to e-mail the newsletter as an attachment. It will also be an avenue for us to e-mail you last minute reminders.

I hope you enjoy this issue of The Newsletter.

Cynthia Savoia

## President's Corner

I want to give a big THANK YOU to all who helped get the Sanctioned Match done. I certainly could not have done it without all the help I received. The training classes have come to a conclusion for the season. We will be starting a little later in September on the 21. This of course is due to the fact that we will be a little busier getting ready for the show weekend this year. Please try to plan ahead so we have plenty of volunteers for the first day on Thursday.

I am trying to compile a list of all the dog businesses in the area towns so we can put up club flyers in them. So if people could e-mail forecastlabs@verizon.net the businesses from your towns, I will add to the list I have started.

Have a great summer and I hope to see you all at the Club Cookout in August.

*John*

## Help Needed

We are looking for someone to volunteer to monitor weekly ad and public education (such as general meetings with programs geared to the public). If interested, please contact John at forecastlabs@verizon.net.

## CAPE COD KENNEL CLUB Newsletter

What would you like to see in **YOUR** newsletter? I say **YOUR**, because the purpose of the club newsletter is to provide information to **YOU, THE MEMBERS!** A goal of the Cape Cod Kennel Club is to get e-mail addresses for all members. That way, we can send an e-mail with your newsletter as an attachment in a PDF format. By sending the newsletter to you in this manner, cuts down on postage costs, less paper for you to be rifling through and it gives the Club the ability to expand the newsletter. We would be able to do it in full color, including a lot more photos. We also would be able to do last minute reminders.

Below I have listed some ideas I would like to put in the newsletter. Please check the ones you would like included and add your own suggestions. Also, please put your name and e-mail address down.

- \_\_\_\_\_ Calender of Events (local and regional)
